

The Public Safety Insurance Fund

The police officer who catches a thief while patrolling our neighborhood. The firefighter who contained the blaze to one room and saved your home. The deputy who busted the drug operation before the drugs hit our streets. They protect our property, our lives and our freedom. They are the public safety officers who put their lives on the line for our protection and safety. Our society cannot function without them. Yet these officers are often overworked, underpaid and under appreciated.

The **Public Safety Insurance Fund (PSIF)** is a group of Montgomery businesses that joined together to tangibly show their appreciation to the public safety officers of Montgomery.

Numerous businesses contribute to the purchase of Life Insurance Policies* and Accidental Death Policies** for every firefighter, police officer and sheriff's deputy on active duty in Montgomery.

Public Safety Insurance Fund sponsors receive a PSIF Member car decal and media exposure through print, radio, television and outdoor advertising (in addition to the gratitude of Montgomery's public safety officials!).

The members of the PSIF feel this gift is a small way to say "Thank You" to the public safety officers for the sacrifice and commitment they make for the protection of our communities and our families.

For more information on the **Public Safety Insurance Fund** or ways you can become involved, please call Grant Sullivan or Jerry Wills at **(334) 396-3333**.

*Due to death for any reason, at any time with the exception of suicide in the first two years.

**Due to death in an accident not in the line of duty.
